Champlain Valley Equipment Acquires Essex Equipment's Kubota Dealership
Keeping your Kubota Dealership Local & Family-owned

Essex, VT: acquisition of Essex Equipment's Kubota Dealership. The Kubota dealership will transfer to Champlain Valley Equipment (CVE) on February 15th, 2022. At that time the dealership will be moving down the road to 157 Pearl Street in Essex Junction with plans to open doors for business on February 21st, 2022.

The primary contact phone number will remain 802-879-0767. Essex Equipment Kubota employees will be joining the staff of Champlain Valley Equipment to continue delivering a premium level of customer service.

President & General Manger of CVE, Brian Carpenter, states, "We are grateful to Gary and Jason Morse of Essex Equipment for providing us the inroads into both Chittenden County and Kubota compact construction equipment. As Vermont's largest consumer and compact construction market, Chittenden County has been on our future plans list for some time. We at CVE are extremely excited to now make this a reality offering a local store for this customer base and an expansion into Kubota compact CE for northern Vermont. Please come check out our new facility at 157 Pearl St in Essex."

Champlain Valley Equipment (CVE) is a local Vermont based family-owned company, founded in Middlebury in 1970 and further expanding their locations to St Albans, Derby and Berlin over the years.

Essex Equipment has served Vermont, New Hampshire and New York as a rental equipment provider since 1973 and a Kubota dealership since 1992. CVE serves the agricultural, construction, turf and other markets with equipment solutions, parts and service.
